Summer Term Newsletter 03 - 25/06/25

Dear Parents and Carers

### **Special Mentions**

Well-done to our children who received awards. It is great to hear that many children have been able to attend hobbies and events outside school and they were very proud to receive recognition in front of their peers and teachers.

## Teachers for September 2025

As you know, Mrs Barton and Mrs Solloway will be leaving us in the summer when they retire. They have been a big part of Pennington school for many years. As they look forward to their new chapter, we too are planning for ours. Things change and evolve in schools and whilst we miss those who leave us, we look forward to working with new staff who have been thoughtfully selected to join our team.

Below is a list of teachers for September:

Reception	Mrs Hockday	Miss Mycock
Year 1	Mrs Bennett (Monday, Tuesday, Wednesday)	Mrs Dearden (Thursday and Friday)
Year 2	Miss Lloyd (Monday, Tuesday)	Mrs Muir (Wednesday, Thursday, Friday)
Year 3	Mrs Satterthwaite	
Year 4	Mr Fleming	
Year 5	Mr Hodgson	
Year 6	Mrs Holiday	

You will see that we have appointed two new teachers, Mr Fleming and Mrs Satterthwaite. The children will meet them on Monday 30<sup>th</sup> June on our 'Move Up' morning. They are excited to work with all of us and we are looking forward to welcoming them. There will be an opportunity for parents to meet them in September.

The arrangements for Year 2 will change in October as Mrs Muir is pregnant! This is lovely news for her family and we wish them all the best. She is intending to start her maternity leave after October half term. The children will then be taught by Miss Lloyd on Mondays, Tuesdays and Wednesdays and Mrs Barron on Thursdays and Fridays from then on for the rest of the year. The children know Mrs Barron and she has worked with our school for a long time so we feel she will be the ideal person to take over from Mrs Muir.

Teaching assistants will be supporting teachers and those children who require extra help. Most of their time will be allocated to enabling individuals to access the curriculum and supporting groups with intervention teaching programmes.

We will also be working with a new sports coach, Isaac, who has been teaching some of our PE sessions for the last few weeks. He will be in school on Mondays and Wednesdays.

## Vacancy in School

Would you like to earn £100 each week during term time? We are currently looking for someone to collect and deliver our school lunches from Croftlands kitchen and then help in our dining hall. If you are interested, please contact the school office on 01229 587253.

## Parent Survey

We value your opinion, please click onto the following link to complete a very short survey. Thank you

<https://docs.google.com/forms/d/e/1FAIpQLScPPIYH4Gm-fnYhQdCEThRoUx9G70DOVPkDC1WIBx4qK1T7Lg/viewform?usp=header>

## Reports

Teachers are busy writing annual reports about your children. These will be emailed to parents/carers during the week beginning 7<sup>th</sup> July. Reception class and Year 6 will receive a hard copy of their reports in an envelope. If families require two copies for parents who do not live together, please inform the school office.

## Year 2 Parents Evening

Year 2 parents will be offered an appointment with Mrs Muir after the Reports have been sent out should they wish.

## Reception Coffee Morning - Friday 4<sup>th</sup> July

On Friday, 4<sup>th</sup> July, Reception will be hosting a coffee morning between 9.30-10.20am for their parents and friends. We are asking them for donations of cakes and biscuits to sell. There is an entry charge of £2.00 and the proceeds will go to school funds. Reception Class look forward to welcoming and serving everyone.

## Dress Rehearsal- The Umpire Strikes Back - Monday 7<sup>th</sup> July

We will be having a dress rehearsal on Monday and need all costumes being in school. Thank you in advance for your efforts for this.

## Costumes:

Reception - Light green tshirt (we have some in school) and green tights (supplied by school)

Year 2 - Black shorts and black or sparkle top/tshirt

Year 3 - Black shorts and black top/tshirt

Year 4 and 5 - Coloured tshirt (Red orange, yellow, purple, pink - no green) with black shorts

Please log on to ParentPay to pay for seats. **Initially we will allocate two seats per child by Sunday 6<sup>th</sup> July.** After that date, if any seats are still available, we will inform you by email on Monday 8<sup>th</sup> July and they will be sold on a first come first served basis via ParentPay.

They will rehearse all afternoon and will stop for tea at 5.00pm. **All children will need to bring a packed tea and plenty to drink.** Pennington Staff will be with the children at all times during the day. Doors will open at 5.40pm and seats can be selected on arrival. **The bar will not be open.** We expect to be finished at approx. 7.30pm and the **children will need to be picked up by 7.30pm**

### Leavers Assembly - Friday 18<sup>th</sup> July

## Tips and simple energy saving measures to help you reduce costs.

### Take shorter showers

Take shorter showers, saving on the amount of water used and the time it takes to heat the water. Open windows to ventilate and reduce the chance of condensation and mould.

### Spin your washing twice

A second spin reduces the remaining moisture, making clothes even drier. Drying time is further reduced saving energy, time and money.

### Only fill the kettle with what you need

By only boiling the amount of water you need, you can save energy, time and money.

### Dry washing outside

Where possible avoid using tumble dryers. Instead dry your clothes outside, on a washing line in the fresh air or over a clothes airer in a well ventilated space.

Many struggle with high energy prices so please  
contact us to see how we can help.

- Reducing the stress of high energy costs
- Improving health and wellbeing
- Creating warmer homes
- Reducing carbon footprints

## Slide into happiness!

Earlier this month, the town of Bucarasica, Colombia, turned one of its main streets into a giant water slide! It's all part of an annual event designed to spread joy, welcome new visitors, and show the world a new side of the town. Once known for conflict and hardship, Bucarasica is now focussed on making people smile and having fun. Mayor, Oscar Perez, said: "The slide has impacted tourism, and we've gone viral!" Looks like this small town is making a big splash!

## A trunkful of trouble!

A wild elephant named Plai Biang caused quite the commotion when he strolled into a grocery store near Khao Yai National Park in Thailand and helped himself to a tasty selection of snacks! He managed to gobble up a sandwich, nine bags of sweet rice crackers, and some bananas, leaving behind a bill of about 1,000 baht (around £22). Well-known to locals, Plai Biang is no stranger to snack-hunting and is often spotted popping into homes in search of treats!

## Polar plunge

A funny photo called "Queuing for the Polar Plunge" by Martin Schmid has been picked for the Nikon Comedy Wildlife Awards 2025. It shows a group of gentoo penguins standing in a neat line, waiting their turn to jump into the freezing sea. Looks like penguins know how to queue just like us!

## Wallace and Grom-eat!

A fun competition in south London saw people create famous faces from carved vegetables! Part of the Lambeth Country show, this year's entries included sculptures of well-known figures such as Dolly Parton, Wallace and Gromit and the Pope. The names were just as brilliant, with "Mo salad" making an appearance among the crops! Why not have a go at making your own veggie celebrity?

## Mice to meet you...

In a new viral video, a young girl filmed herself rescuing a mouse caught in the middle of a rushing flood. The little mouse was clinging to a gate as water surged past, when the girl bravely stepped in and gently lifted it to safety. Once home, she gave it a warm bath, dried it off and has now kept it as her pet! The sweet video has touched hearts all over the internet, though the girl's name and where she lives remain a mystery.
