Spring Term Newsletter 10 - 24/04/2026

Dear Parents and Carers

We are very pleased to include our latest SIAMS Inspection Report. The Inspection took place on Monday 27th April. Church schools have a SIAMS inspection approximately once every 5 years. Thank you to those parents who provided feedback to the Inspector on the day.

Pennington Church of England Primary School

Vision

'God has given each of us different gifts. Together we can do great things.'

We share our Christian values and God's love through our teaching and learning. We nurture and educate every unique Pennington child to grow and flourish, valuing each one and rejoicing in their diversity of gender, race, culture or background. We celebrate individuality and appreciate everybody's different gifts. Children grow into happy, confident people who proudly reach their potential whilst developing their own talents and interests. We enjoy learning within our Pennington family, our community and God's wider world.

Pennington Church of England Primary School is living up to its foundation as a Church school and is enabling pupils and adults to flourish. It has the following notable strengths.

Notable Strengths

- The Christian vision is understood and embraced across the school. It informs daily decisions and actions and enables adults and pupils to flourish.
- The vision shapes a thoughtfully crafted curriculum. It reflects the needs of the community that the school serves. Wide-ranging opportunities, both in the classroom and beyond, enrich pupils' learning.
- Driven by the vision, positive relationships are rooted in Christian love. This embodies a culture where adults and pupils are highly valued for both their uniqueness and their gifts.
- The school is unrelenting in its support for the individual. Effective strategies address the needs and interests of those pupils deemed to be vulnerable or who have special educational needs and/or disabilities (SEND).
- Inspired by the vision, leaders have sought and sustained a number of fruitful partnerships. This collaborative approach enhances the wider life of the school, bringing additional openings for both staff and pupils.

Development Points

- Expand planned opportunities for spiritual development across the curriculum. This is to deepen pupils' experiences of spirituality.

Inspection Findings

Vision and Leadership

The Christian vision is rooted in Scripture and lived out daily across the school. There is frequent reference to the vision's 'motto' that is an ingenious fusion of words from St Paul and Mother Teresa. Hence, it is clearly understood and relevant for both adults and pupils. The vision guides leaders and embodies a collective responsibility to nurture one another as part of the 'Pennington family'. This enables the school community to flourish and their individual God-given gifts to be cherished and celebrated. Carefully selected Christian values add to the vision's reach. Pupils and adults make good use of the values, such as patience and trust, to help them navigate their day. Parents speak of seeing values in action at home and staff note that pupils turn to them for guidance. Governors know the school well and are regular visitors. Their routine monitoring ensures that leaders are well supported in sustaining the vision. This reflects the school's foundation as a Church school and allows adults and pupils to thrive in a Christian environment.

Vision and Curriculum

Leaders make certain that the vision is central to curriculum decisions. It is carefully planned to provide a wide scope of experiences that grow individual gifts. Therefore, it encompasses a broad perspective that goes beyond the purely academic, reflecting the needs of a Pennington pupil. Outdoor learning, extra-curricular activities and educational visits enhance pupils' knowledge and understanding. Sensitive adaptations ensure that the curriculum is accessible. This guarantees that pupils who have SEND or are deemed to be vulnerable enjoy participating fully in opportunities alongside their classmates. Consequently, they flourish as a result of skilled and compassionate support. The phrase 'take a breath, take a moment' is used widely throughout school in different contexts. It provides moments for personal reflection. However, this is not routinely planned across the curriculum, resulting in missed opportunities for spiritual development. Leaders encourage a reassuring culture that aids both staff and pupils. They value this caring approach, confident in the knowledge that this is 'a safe place to make a mistake'.

Worship and Spirituality

The daily collective worship is a cherished moment in the school day. Coming together as one community, adults and pupils welcome the opportunity to share in this special time. Worship brings a deeper understanding of the vision through a regular focus on Christian values. Routines, such as Bible stories, singing and prayer bring a structure to worship. Different approaches and themes each day add interest and variety. Local clergy regularly lead worship, which reinforces Anglican traditions. Likewise, key events bring the community together for services in the local church. This enhances pupils' spiritual experiences by marking significant dates in the Christian calendar, such as Remembrance and Easter. The phrase 'take a breath, take a moment' is adept in providing times of quiet reflection in worship. The impact of these occasions extends beyond worship. Parents see their children wanting to pray or asking smart speakers to help them sing favourite worship songs at home.

Vision and School Culture

The vision is at the heart of the Christian love that permeates the school. It starts with a warm welcome, where people are valued for who they are. Pupils feel cherished from the moment they begin school as they are allocated a Year 6 buddy and a 'family group'. Working together in mixed-age family groups forges friendships and grows confidence. Leaders are rigorous in championing good mental health and wellbeing. Staff provide numerous examples that demonstrate both practical help and the care they receive. Likewise, key strategies and thoughtful interventions provide effective support for pupils. Parents speak with gratitude of the compassionate assistance offered to them personally in difficult times. Staff regularly go to great lengths in providing bespoke care for families. Positive playtimes both strengthen relationships and provide enrichment. They are well planned so that pupils can explore their interests and talents. Staff are adept in promoting forgiveness and

reconciliation for those rare disagreements. Christian values are visible in how they engender dignity and respect, as one pupil commented 'there is strength in difference.'

Vision, Justice and Responsibility

The vision drives a culture that promotes mutual respect. Therefore, a sense of equality and an individual's worth permeates the school community. Pupils gain an understanding of fairness and responsibility. The use of weekly children's news resources gives them an insight into issues affecting the world. Focused discussions support a deeper comprehension and time is given to considering potential actions. There is a desire to make a difference. One pupil explains this by simply stating, 'if you leave it, it will just get worse.' Likewise, pupils are empowered by the success of their 'challenge action group'. Visits from dignitaries, letter writing and practical actions result in positive changes locally. This encourages pupils to bring ideas into school and make suggestions as to what needs to happen next. The vision encourages leaders to seek inspiring encounters that enrich school life. This is ably demonstrated in a variety of productive partnerships. These include frequent interactions with the local church community and diocese. Likewise, the established collaboration with a group of local schools garners multiple opportunities for pupils and adults.

Religious Education

Religious education (RE) is a much-valued element of the wider curriculum. A recent review of the subject resulted in the introduction of new approaches and materials approved by the diocese. This allows pupils to explore a wider range of topics in greater depth. Staff's supportive methods provide pupils with a safe space in which to study different aspects of faith and worldviews. As a result, pupils are confident in tackling big questions and know that their ideas are respected. Lessons include frequent use of practical ideas, enriching pupils' experience of the topic. For example, a serene lantern-lit tent in a classroom enabled Year 2 pupils to explore the concept of a tabernacle. Visits to places of worship and visitors provide additional depth to learning in RE. Pupils speak with interest about the insights they gained from recent workshops led by a Muslim guest in school. Reflecting the vision, this increases their knowledge and understanding of the diverse nature of belief and world perspectives. The established partnership with the local diocese facilitates ongoing training. This assists staff in remaining abreast of current developments in the subject and allows them to hone future practice.

School Meals - Bromcom MCAS

School Meals - MCAS. Meals are now ordered through MCAS. Menus will remain the same and will continue to be provided by Croftlands Junior School's kitchen. Universal free school meals are not fully funded. The school has to pay for meals ordered and not used so please ensure you select the 'Packed Lunch from Home' option for both the Main Meal (option 1) and Dessert (option 2) options, in order to avoid food waste and confusion. You can order up to two weeks in advance.

Parking enforcement- a message from the police

The local police have received a number of concerns about parking around schools and will be taking a firm stance by issuing Fixed Penalty Notices (tickets) where appropriate.

Please note that police powers for parking enforcement are limited in some areas. For example, offences such as parking on double yellow lines are typically enforced by local council wardens (Civil Enforcement Officers). However, they do have the authority to issue tickets or impound vehicles that are parked on zig-zag lines, or where they are causing an obstruction to the road or pavement—and this is the approach they will now prioritise to improve safety around Pennington School.

Colour Run – 14th May

Friends of Pennington are holding a Colour Run on the **Thursday 14th May at 4.30pm**. The event will take place at school around the Pennington paces track. A colour run is a non-competitive, untimed fun run where participants begin dressed in white/light clothing. As runners pass through different stations along the route, volunteers douse them from head to toe in vibrant, non-toxic powdered dye, turning everyone into a walking rainbow. Children can take part across all year groups, parents and carers can also take part. We are hoping to run the length of the Coniston to Barrow walk between us all in support of our walkers. Extra paint bags and accessories will also be available to purchase on the day, please bring cash! We will need lots of volunteers to throw the paint!

Climate Action Plan

This half term, we have successfully launched our Eco Club as part of our commitment to Cumbria Climate Action. The children have shown great enthusiasm and ownership, creating the slogan: "Our school, our planet, our responsibility." We are also developing our wildflower meadow and planting areas to support biodiversity, with seedlings now nearly ready to be planted out. In addition, we have installed a new water butt to help conserve water across the school grounds.

We are proud of all the children at Pennington for the care and responsibility they are showing towards our environment.

Year 6 SATs Week 11th May

Our Year 6 children will be taking their SATs week beginning 11th May. They have worked very hard with Mrs Holiday this year and we wish them all luck.

Year 4 & 5 Residential

Year 4 and 5 had a wonderful time during their Residential trip to Tower Wood. The children were fantastic and we were blessed with great weather. We would like to thank all the teachers and staff that gave their time to give the children lots of exciting and unique experiences.

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free school meals and the pupil premium.

Dear Parents/Carers

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces

At Pennington, we get an extra £1,385 for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

To be eligible for free school meals, your family's annual household income must be no higher than:

- £22,700 for families with one child
- £26,300 for families with two or more children

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999

- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on- paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please click on the following link:

More information

For more information about pupil premium go to our website, which contains details of how the pupil premium has been spent in the past academic year and how it will be spent this year.

What we do

In 2025 we raised **£7776.79** by holding lots of fun events! Thanks to the spring disco, sponsors from the Coniston to Barrow walk, sports day and Y6 play raffle, summer bouncefest, sale of Christmas cards and the Christmas fair we raised an amazing amount!

Your support at these events have helped us to buy many new resources for the children at Pennington School! We used the money raised to buy...

- * Outdoor play equipment
- * Requests from the school Council group which included new musical instruments and more
- * We topped up classroom cashpots
- * Supplied the school with the FOP noticeboard at the school gates to keep you all updated
- * Funded the year 6 leavers books so they all left with a special memory of their time at pennington

This was all thanks to your support so THANK YOU! Let's make 2026 another great year for FOP so that our children can continue to benefit from all our support

We would love more people to join the FOP team!! Speak to either of the members listed below to register your interest and we'll add you to the WhatsApp! We're a friendly bunch who love a social occasion so come and join the fun and help us plan the year's events!

Your community is calling for a **20mph speed limit**

Have your say

Your Town Council has provisionally secured funding through Westmorland and Furness Council to reduce the speed limit in your area to 20mph, to promote safer roads, reduce vehicle noise and enhance the environment for more walking and cycling.

Speed limits will only be reduced to 20mph if your wider community supports the scheme.

Have your say on the proposal by completing the Council's consultation before Friday 22 May:

- Online at www.westmorlandandfurness.gov.uk/20mph
- At Appleby Library, Kirkby Stephen Local Link and Penrith library
- In selected public buildings within your community

You can also share your views with the Westmorland and Furness 20mph team at:

- Monday 27 April, 3pm to 6pm at Coronation Hall, Ulverston
- Wednesday 29 April, 3pm to 6pm at The Masonic Hall, Kirkby Stephen
- Thursday 30 April, 3pm to 6pm at the Marchesi Centre, Windermere
- Tuesday 5 May, 3pm to 6pm at Penrith Library
- Wednesday 6 May, 3pm to 6pm at Walney Community Centre
- Wednesday 13 May, 3pm to 6pm at Barrow Town Hall
