Spring Term Newsletter 11 - 21/05/2026

Dear Parents and Carers,

We have enjoyed a very successful half term. In recent weeks, the children have been working hard on their assessments, including SATs tests. We are extremely proud of their efforts, and of the dedication shown by both staff and pupils — everyone has done their very best.

We are now looking ahead to the final half term of the school year. There are many exciting events planned, including transition activities, sports events, school trips, the Penningtonbury Festival, our end-of-year show, and special traditions for our leavers.

We hope you all enjoy a restful half term break and look forward to welcoming everyone back for a busy and exciting final half term.

### **Safety update**

You may have seen in the news that there has been some recent advice with regards to play sand and products containing sand and the possibility of asbestos contamination.

We have sought advice from our Health and Safety provider, Kym Allan, with regards to the sand we use/play with in school.

We have checked our school stock for any products that may be on the list attached and suggest you also check at home as these are now considered to be unsafe. <https://www.gov.uk/product-safety-alerts-reports-recalls?keywords=asbestos>

In addition, we ask that children do not bring their own toys, including fidget toys into school as they may not meet health and safety recommendations and standards. We discourage children from bringing their own toys into school anyway as they are a distraction and can get lost.

Many thanks for your support with this.

### **Sports Day Change of Date FRIDAY 22<sup>nd</sup> May**

Sports day will now take place on Friday 22<sup>nd</sup> May, due to the weather forecast for tomorrow. Sorry for any inconvenience caused, we hope to see you all from 1pm until the end of the school day.

Friends of Pennington will be selling refreshments and raffle tickets, please bring cash for these.

Please ensure your child comes to school in their PE kits which will be sent home with the children today with plenty to drink, a sun hat and SPF30 minimum.

### **Diary Dates**

Friday 22<sup>nd</sup> May - Sports Day (1pm for Parents)  
Friday 22<sup>nd</sup> May - Break up for half term  
Wednesday 3<sup>rd</sup> - Friday 5<sup>th</sup> June - Year 6 Residential to York  
Wednesday 10<sup>th</sup> June - Year 4 Trip to Ravenglass and Eskdale Railway  
Thursday 18<sup>th</sup> June - Year 5 Trip to Blackpool Zoo  
Thursday 18<sup>th</sup> June - Year 2 Trip to Sealife Centre and Gruffalo Clubhouse  
Monday 22<sup>nd</sup> June - New parents meeting 6pm  
Thursday 25<sup>th</sup> June - Year 3 Trip to Heaves Farm  
Friday 26<sup>th</sup> June - Reception Trip to Holker Hall  
Friday 26<sup>th</sup> June - Year 1 Trip to Holker Hall  
Friday 3<sup>rd</sup> July - Penningtonbury (Children only)  
Thursday 9<sup>th</sup> July - Reception Coffee Morning (CHANGE OF DATE)

### **Climate Action**

Our Eco Club has successfully designed and distributed posters around school to encourage climate action and environmental awareness. We have also applied for a grant from the Woodland Trust to support the planting of a hedge near the Year 2 classroom. This will help reduce flooding and muddy areas during wet weather, while also improving biodiversity within the school grounds. Fingers crossed we are successful. A lovely new planter has been installed on the south-facing Year 3 wall. We hope this will flourish over time and eventually provide additional shade for pupils. In class, Year 5 have produced some excellent Big Write pieces focused on pollution, showing thoughtful understanding of environmental issues and the importance of protecting our planet.

### **The 1% Club**

We are very excited to announce that one of our ex-pupils, Oscar S will be appearing on the 1% Club Kids Special on Sunday at 5pm, we wish him the best of luck!

### **Colour Run - 14<sup>th</sup> May**

Friends of Pennington would like to give our sincere thanks the attendees, volunteers and staff for helping us have an amazing Colour Run Event! Children took part across all year groups, parents, siblings and other carers joined in with the fun and we had a truly memorable afternoon and raised much needed funds for the school.

### **Homework**

Teachers are currently reviewing our homework policy. Class teachers will let you know via Dojo what will be provided for their class. Our aim is to provide reinforcement tasks that you can support your child with at home.

### **Scales Scarecrow festival 23<sup>rd</sup> - 25<sup>th</sup> May**

The annual Scales scarecrow festival will take place over the bank holiday weekend. Lots of children from school have contributed to one of the displays, a fish with scales featuring positive messages.

### **After school clubs**

After school clubs will start the first week back and continue until the penultimate week of term. Payment and booking can be made through MCAS from next week, please note Chess Club has moved to Thursday, see below for details.

### **Late Pick-Up**

We appreciate that parents may occasionally be late to collect children, however we need to hear directly from parents if someone other than a parent/guardian/grandparent will be picking up their child, for playdates etc. We cannot release children to other parents without the consent of the child's parent. This is to ensure the safety of children. We are happy to receive emails to notify us.

### **Attendance Policy**

Just a reminder all leave of absence requests must be completed on the official form. This is available to download from the parent app MCAS or from the school office. Letters, emails and MCAS absence requests cannot be accepted. All requests must be made prior to the leave being taken as leave cannot be authorised retrospectively. The School Inclusion Officer has informed us that any period of illness precedes or runs on from a requested period of leave totalling 10 or more sessions (5 days) has to be referred to the School Inclusion Team to review.

## After School Clubs

We aim to offer a range of after school activities throughout the year. The timetable for this term is displayed below. **All clubs need to be booked, paid for and permission given through MCAS (My Child at School)** We still consider this to be good value. Thank you to staff for giving their time freely to offer these opportunities. Clubs will start the first week back for 6 weeks.

# HAPPY NEWS

KIDS

## Pudsey's powerful message

Pudsey Bear has done something super exciting for the very first time - he's started talking! The famous BBC Children in Need mascot is speaking out to help children understand that looking after our mental health is just as important as looking after our bodies, and that it's always okay to share our worries with people we trust. In his new film called *Pudsey Finds His Voice*, Pudsey delivers a powerful message - every child deserves an adult who will listen.

## Hero boy keeps flight calm

Meet 8-year-old Phoenix - the brave boy who helped avoid a plane emergency! When a passenger became upset and angry during a flight home from Turkey, Phoenix and his dad stepped in to help calm her down. While cabin crew worried the plane might need to make an emergency landing, Phoenix chatted kindly to the woman about football, her children and her hobbies, helping her feel calmer during the long journey. Other passengers thanked the pair when the plane landed safely, but Phoenix's dad says his son was the real hero for staying so calm.

HAHA!

## The science of dad jokes

Scientists have been getting serious about silly jokes, by studying more than 32,000 "dad jokes" to discover why some make us laugh while others make us groan! Researchers found the best dad jokes are short and packed with cheesy puns. Despite puns sometimes getting a bad reputation, it turns out they're actually far more popular than we think! People even voted for their favourite joke: "I accidentally passed my wife a glue stick instead of her ChapStick. She's still not talking to me!"

## Joke of the Week

What do you call a copybara who tells great jokes? *A laughybara!*

## Backpacks to help hedgehogs

Tiny backpacks and a clever sniffer dog are helping to save hedgehogs in Northern Ireland. Scientists are giving some hedgehogs tiny GPS trackers to learn where they go at night and how they stay safe. They're also being helped by Russell - Ireland's very first hedgehog detection dog - who can sniff out the spiky animals to help researchers find them. Experts hope the project will help protect hedgehogs and make gardens safer for them.

## Could this be the new "Attenbara?"

Edinburgh Zoo has welcomed a super-cute new arrival, the first baby copybara born in Scotland for 18 years! Keepers say the tiny "babybara" is already starting to explore the zoo, while staying close to proud parents Luna and Rodney. Fans have fallen in love with the adorable pup online, especially because he was born on Sir David Attenborough's 100th birthday, with lots of people hoping the little one will be named "David Attenbara!"

# Let's Get Cooking

Ulverston Best Start Family Hub, Lund Terrace,  
LA12 9BE

**Tuesday 26th May 1:30-3:00pm**

Join us at Ulverston Best Start Family Hub for a fun healthy cooking session.

You will make your own pizza from scratch with a joint salad and fruity yogurt (all ingredients provided). Play our snack game and guess the amount of sugar along with other fun active play. You can then enjoy eating your tasty food with your new friends or take it home for later.

Suitable for children aged 5-11 with an accompanying adult.

Booking essential, please contact us
