Geography		<p>What is it like here?</p> <p>Locating where they live on an aerial photograph and recognising features within a local context.</p> <p>Creating maps using classroom objects before drawing simple maps of the school grounds. Following simple routes around the school grounds and carrying out an enquiry as to how their playground can be improved</p>		<p>What is the weather like in the UK?</p> <p>Looking at the countries and cities that make up the UK, keeping a daily weather record and finding out more about hot and cold places in the UK. This unit has been visually refreshed and now features new videos to enhance the learning experience. The core content of the unit remains unchanged</p>		<p>What is it like to live in Shanghai</p> <p>Using a world map to start recognising continents, oceans and countries outside the UK with a focus on China. Children identify physical features of Shanghai using aerial photographs and maps before identifying human features, through exploring land-use. They compare the human and physical features of Shanghai to features in the local area and make a simple map using data collected through</p>	
	Field Work	Exploring the School, grounds.		Monitoring the weather.		Exploring the area around school	

History			<p>How am I making History? Looking at personal chronology and finding out about the past within living memory. By examining photographs and asking questions, children investigate chronology. Beginning to look at a simple timeline extending back to before they were born.</p>		<p>How have toys changed? Looking at personal chronology and finding out about the past within living memory. By examining photographs and asking questions, children investigate chronology. Beginning to look at a simple timeline extending back to before they were born.</p>		<p>How have explorers changed the world? Finding out about events and people beyond living memory, children particularly think about explorers and what makes them significant. They create a timeline and investigate which parts of the world they explored, before comparing explorers and discussing ways in which these significant people could be remembered.</p>
Computing		<p>Introduction to Purple Mash This unit introduces Purple Mash to children and the essential basic knowledge and skills required for the Year 1 units. Through a range of activities, children will learn about 2Dos, saving</p>	<p>Animated Stories children create digital books using the 2Create a Story tool. They learn how to work with images, text and sound. Children also learn how to animate simple objects.</p>	<p>Data Explorers This unit introduces children to using software tools to group and sort recognisable objects. Children will develop their understanding of how this relates to organising and interpreting data. By the end of the</p>	<p>Creating and Following Instructions This unit forms the basis for understanding simple algorithms and algorithmic thinking. This is facilitated through unplugged activities before moving to sequencing</p>	<p>Making Beats  This unit introduces digital music. Children will use the tools 2Explore and 2Beat to make their own digital music.  Technology around us</p>	<p>Coding  This unit introduces children to coding using the block coding tool, 2Code. Children will explore simple instructions and relate this to code blocks. By the end of this unit, children will</p>

		<p>work and navigating to key areas.</p> <p><b>Creative Computing</b></p> <p>This unit gives children the opportunity to develop their mouse, keyboard and basic computing skills using creative tools. Children will use the 2DIY tools to paint, create jigsaws and make simple drag and drop games.</p>		<p>unit, children have the opportunity to collect simple data and present it in a pictogram</p>	<p>activities on digital devices.</p> <p>This is a foundational unit, introducing the basis of logical thinking in preparation for coding.</p>	<p>The focus in this unit is defining and understanding what technology is. Children will relate this to school, home, outside and to its use in the wider world.</p>	<p>be able to make a simple program</p>
<b>Art and Design</b>		<p><b>Drawing Exploring Line and Shape</b></p> <p>Exploring line and shape; working and experimenting with different materials through observational and collaborative pieces inspired by artists.</p>		<p><b>Painting and Mixing Colour Splash</b></p> <p>Exploring colour mixing through paint play, using a range of tools to paint on different surfaces and creating paintings inspired by Clarice Cliff and Jasper Johns.</p>	<p><b>Sculpture and 3D Paper Play</b></p> <p>Creating simple three dimensional shapes and structures using familiar materials, children develop skills in manipulating paper and card. They fold, roll and scrunch materials to make their own sculptures. This unit contains three brand new</p>	<p><b>Craft and design Woven Wonders</b></p> <p>Learning fibre art skills such as plaiting, threading, knotting and weaving to create three-dimensional woven artworks inspired by artist Cecilia Vicuña.</p>	

					lessons and two existing Kapow Primary lessons.		
	Artists						
Design Technology			<p>Mechanisms - making a slider</p> <p>Exploring and making slider mechanisms, the children will create a matching game using simple sliders.</p>	<p>Structures - Stable structures.</p> <p>Exploring how structures can be made more stable with a wide base and extra weight added to the base, the children will apply these skills in designing and making a stable pencil pot for a Year 1 pupil.</p>	<p>Textiles Simple Stitches</p> <p>Learning how to make simple stitches using a needle and thread, creating a piece of celebratory bunting.</p>	<p>Cooking and Nutrition</p> <p>Cutting and juicing fruits and vegetables to create a smoothie that meets a design brief, this unit gives the children opportunities to develop food preparation skills with an increased focus on taste testing and ingredient choices.</p>	
Music		<p>Keeping the Pulse- My Favourite Things</p> <p>In this unit, children explore keeping the pulse together through music and movement, by exploring their favourite things</p>	<p>Tempo- Snail and Mouse</p> <p>Children use bodies and instruments to listen and respond to pieces of music with fast and slow speeds;</p>	<p>Dynamics Seaside</p> <p>Children make links between music, sounds and environments and use percussion, vocal and body sounds to</p>	<p>Sound Patterns Fairy Tales</p> <p>This unit uses fairytales to introduce children to the concept of sound patterns (rhythms). They explore clapping</p>	<p>Pitch Superheroes</p> <p>Children learn to identify high and low notes and to compose a simple tune to represent a superhero.</p>	<p>Musical Symbols Under The Sea</p> <p>In this unit, children combine all the musical concepts learned throughout Year 1 for an underwater-themed performance</p>

			learn and perform a rhyme and a song focusing on fast and slow.	represent the seaside.	along to repeated words and phrases, creating rhythmic patterns to tell a familiar fairytale.		incorporating instrumental, vocal and body sounds.

PE	Session 1 Sports Coach	Ball skills Explore and develop fundamental ball skills such as throwing and catching, dribbling and rolling with hands and feet.	Fundamentals Balancing, running, changing direction, jumping, hopping and skipping.	Team Building Develop teamwork skills. Work in pairs and small groups learning to take turns, work collaboratively and lead each other. Discuss, plan and reflect on their success.	Sending and receiving Develop skills including throwing, catching, rolling, kicking, tracking and stopping the ball. Opportunities to use different sized balls.	Striking and Fielding Two teams, one batting one fielding. Develop skills in scoring, tactics and communication.	Invasion Games Two teams, two goals. Teams try to score in their opposition's goal.  Eg. football, handball, netball, hockey.
	Session 2	Dance Explore travelling, movement skills, counting to music, exploring themes.	Yoga Yo Kids Yoga	Net and Wall games  Throwing, catching, tracking and hitting the ball. A net or wall separates the players. Manage their own games.	Athletics  Managing personal performance in running, jumping and throwing. Emotional perseverance, independence, honesty and determination.	Scooting and cycling Children learn to balance and steer and the safety rules of being independent on wheels.	Target Games Players send objects towards targets. Develop underarm and overarm techniques. Children select appropriate equipment and
